Welcome to the techotsav

Greetings to all tech enthusiasts, young developers, and students! Brace yourselves for an electrifying immersion into the pulsating heart of technology at Techotsav at GH Raisoni College of Engineering, proudly hosted by the Google Developer Student Clubs - GHRCE.

Techotsav is an amazing opportunity to explore the constantly changing world of technology that you don't want to miss. It doesn't matter if you're an experienced programmer, a new enthusiast, or just excited by the endless possibilities of tech, this event is designed especially for you.

Discover the latest trends, tools, and techniques shaping the tech industry. Engage in captivating workshops led by industry experts, dive deep into the world of programming languages, decode the mysteries of AI, and venture into the realms of machine learning. You'll leave with a treasure trove of knowledge and newfound skills ready to conquer the tech universe.

Our event is the place to connect with fellow tech enthusiasts, network with seasoned professionals, and bring your most daring ideas to life. You'll have the future opportunity to collaborate on projects that set minds ablaze, find trusted collaborators or guiding mentors, and expand your horizons.

Join us for an exhilarating day of learning, networking, and innovation. Mark this date in your calendar and prepare to join the future of technology at Techotsav at GHRCE! Don't miss out on this thrilling adventure!

Who are we?

We, the GDSC GHRCE, are a dynamic group of passionate students driven by a singular vision: to harness the power of technology for a brighter tomorrow. Teaming up with peers, we are elated to unveil a nexus of creativity, tailored for our community. Our platform stands as a beacon of empowerment, offering a plethora of tech projects, immersive workshops, exhilarating hackathons, and hands-on learning experiences. We firmly believe that within each of us lies the potential to both learn and teach, fostering an ecosystem where students of every stripe can flourish. Be it the realms of web technology, the marvels of AI, or the allure of app development, our platform beckons you. The Google Developer Student Clubs at G. H. Raisoni College of Engineering extend a warm invitation: join us in our quest to leverage technology for a transformative impact on our world.

Our Happenings, and Initiatives :

1. Introduction to Google Cloud Study Jams
2. Figma Lifestyle
3. Introduction to Web3, and Blockchain
4. Crack with GDSC 4.0
5. Smart India Hackathon
6. Flutter Firebase
7. Hacktober Fest
8. CoreConfluence: Empowering Visions

Previous GDSC Event
Highlights

**Introduction to
Web3 & Blockchain**

**Flutter &
Firebase**

Figma LifeStyle

The GDSC chapter at GHRCE hosted several highly anticipated events throughout the year, including "Figma Lifestyle", "Smart India Hackathon," "AI/ML Mastery," "Flutter Firebase", "Introduction To Web3 & Blockchain," and many more. Students, teachers, and tech enthusiasts alike came to the GH Raisoni College of Engineering campus to celebrate their shared passion for learning and technology. All of our events celebrated collaboration, creativity,
and empowerment. By working together, we can keep empowering ideas and constructing a better tomorrow.

About the Event

Are you interested in improving your skills and knowledge of trending technologies? If yes, then Techotsav is the perfect platform for you! It's an excellent opportunity to learn about the latest developments, best practices, and real-world use cases.

It is not just an event for knowledge sharing; it also creates a sense of community among young developers and technology enthusiasts, providing opportunities for networking, collaboration, and mentorship.

The events offer hands-on sessions, workshops, and talks, providing attendees with ample opportunities to improve their skills and expertise in Google technologies such as Firebase, Google Cloud Platform, AIML, Flutter, and more.

But that's not all! Techotsav also provides a platform for attendees to connect with potential employers, mentors, and industry professionals. This allows seekers to explore career paths and learn about Career Development.

Key Highlights

1. First of its kind
Techotsav is now coming to our college for the first time, after being a successful global event for some time
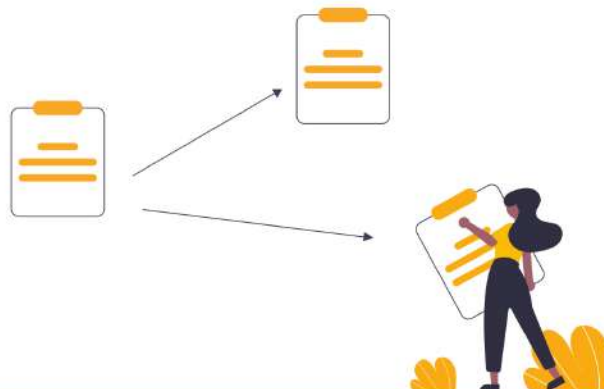

2. Career Fair
This event presents an opportunity for everyone to collaborate, and support the tech talent.

3. Network
We are fortunate to have some of the industry's brightest minds as speakers. This is a unique opportunity to connect and learn from them.
